

Year 3-Maths Homework - Yellow and purple groups

16/3/20

Timely practice

Draw times on the digital clocks to match the analogue clocks:

Draw a time on each of these two clocks.

Both times must be between half past 2 and quarter to 3.

20 minutes late

All the morning trains are running 20 minutes late. Draw the time on the station clock when they actually arrive.

The train is due at:

8:20

9:40

10:35

11:25

The train arrives at:

Dastardly difference

- 11 Write a pair of times 15 minutes apart.
All the digits must be different!

Write the time in words when you (remember 'to' and 'past' times):

12 - went to bed last night

13 - read your book to your grown up today

14 - brushed your teeth this morning

15 - arrived home from school any day this week
