

Year 5 English Homework –16th of March

Write an account of your morning routine, from waking up until arriving at school. Make sure that the instructions are clear, and use of directional language (especially for the journey to school). Ensure that time adverbs are used (first, next, then, after) and that full sentences and paragraphs are used.

Short example:

My alarm goes off at 7:00, and I wake up and get dressed into my school uniform. Shortly after that, I go to the kitchen to eat breakfast. After that, I help to clear up the plates, and I brush my teeth. Next, I help my younger brother pack his lunch bag, and make sure mine is packed as well. Then, I make sure my book bag is packed, and I put my shoes on before leaving the house.
