It's a Heatwave!

Summer is Finally Here

As Britain swelters in the warmth of an unexpected heatwave, weather forecasters have confirmed that the hot weather is here to stay. According to Sunni Shine, chief weather reporter for the Weather Channel, temperatures look set to stay high until the end of the month.

"Today is the hottest day of the year," said Sunni from her studio, "and we can expect more good weather – get out your BBQ!"

Wettest May on Record

The warm weather is particularly welcome after what has been dubbed 'Miserable May', the wettest May since records began.
