

Below is the front cover of a book. Below that is a reminder of things to include.

In your home learning book, I'd like you to write a setting description from the point of view of the girl in the boat.

Let's call her Sally.

So, your setting description may start something like this:

In the bright afternoon sun, Sally drifted lazily down the waterway

Have you included these?

Did I...

say what can be seen?

say what can be heard?

include details about the weather?

include details about the time of day?

use adjectives (describing words) to describe each noun?

What else can you include?

Adverbials, conjunctions, prepositions or similes perhaps!
