

English

In English this week we're going to write character descriptions.

To start, I'd like you to take a look at the photo below and then, as fully as you can, in your home learning book answer the questions I have set as a fluent paragraph (so remember your conjunctions to join your sentences).

What is there name?

How old are they?

What do they look like (their appearance)?

How would describe their personality?

Where do they live/where are they from?

Do they have any special powers, skills or powers?
