Today, I'd like you to create a fact file about Stonehenge, one of the World's most famous monuments.

Look at this webpage [Stonehenge](#) - watch the videos, read the articles and then, in your home learning book, complete Activity 1 - create a fact file about Stonehenge.

Remember this useful list, and below, is a fact file template you may wish to use:

Things to include:
Include a title that tells my reader what my report is about
Write an introduction giving the reader some brief information about the topic
Use organisational devices to structure my text e.g. sub-headings, bullet points
Use a formal tone
Include photos or drawings (annotated, captions)
End with a summary
