## Poetry: Reading Comprehension - Word meaning

First, log on to this link - [poetry-reading-comprehension](#)

Then, I'd like you to complete the activities - it's a mixture of a quiz, some video learning and answering some questions in your home learning books (you don't need to share your work as is suggested at the end of the video).

Complete the online quiz first.

Then watch the video and complete the activities (including our spellings for the week).

Have fun!
