

RE

Today, I'd like you to create your own prayer.

In your home learning book, write a prayer **thanking** the Holy Spirit for **good choices** and **saying sorry** for the **bad choices** you have made.

Use the questions from yesterday you reflected on as a guide.

Begin your prayer with:

Holy Spirit, you are with me when I choose.

End your prayer:

Help me to take time to think.

I ask you to help and guide me, Amen

Here is an example of a prayer of thanks:

A Child's Prayer of Thanks

Dear God,
I'm thankful
For all You give:
For food,
For love,
A place to live.
I thank you
for my family too
And I want you to know
that I love you.
Amen.
