

Maths

Today, we will be looking at simplifying fractions.

Go to this link -

<https://www.bbc.co.uk/bitesize/topics/zhdwxnb/articles/zcdgxfr>

Watch the video, then complete the 'simplify the fraction' activity, complete the quiz and, finally, complete the questions below in your home learning book.

Write the number of red tiles as a fraction.
If you can, write the fraction in another way.

$$= \frac{4}{10} = \frac{2}{5}$$
