

RE

Today, I'd like you to look at the lyrics of a song you really like and, in your home learning book, answer these three questions about it (or you could create a table as I have in my example):

1. What part/lyrics do you like?
2. What do you think it means?
3. How can you use its' message?

Here's an example of the song 'Heroes' by Alesso - make sure you go right to the bottom so you can see my answers to these three questions.

Alesso - Heroes (We Could Be)

We could hide away in daylight
We go undercover, wait out the sun
Got a secret side in plain sight
Where the streets are empty, that's where we run

Everyday people do everyday things, but I
Can't be one of them
I know you hear me now, we are a different kind
We can do anything

We could be heroes
We could be heroes, me and you
We could be heroes
We could be heroes, me and you
We could be

Anybody's got the power

They don't see it 'cause they don't understand
Spinning 'round and 'round for hours

You and me, we got the world in our hands

Everyday people do everyday things, but I
Can't be one of them

I know you hear me now, we are a different kind

We can do anything

We could be heroes

We could be heroes, me and you

We could be heroes

We could be heroes, me and you

We could be

We could be heroes

We could be heroes, me and you

We could be

All we're looking for is love and a little light

Love and a little light

(We could be)

All we're looking for is love and a little light

Love and a little light

We could be heroes

We could be heroes, me and you

We could be

What part/lyrics do you like?	What do you think it means?	How can you use its' message?
-------------------------------	-----------------------------	-------------------------------

<p>I really like the line 'Anybody's got the power'; 'We can do anything' and also the chorus 'We could be heroes'</p>	<p>I think it's really positive and encourages you to go for it.</p>	<p>Believe in yourself Don't always follow the crowd Don't settle - find your passion!</p>
