Today, I would like you to imagine that you are holding a special event at the garden or park you wrote about yesterday - perhaps a BBQ, fete or some kind of fund-raiser for a good cause.

In your home learning book, I would like you to create a persuasive poster to promote the special event inviting people to come and visit your garden/park and also to make some donations to the garden/park too.

This should be a poster that you could use to advertise in your local area.

Persuasive posters have:

- Short, snappy sentences
- An eye-catching layout
- A catchy slogan
- Something to offer
- Key information
- Attention grabbing pictures or photos

Here are two examples of persuasive posters to help you:
