

# Maths

This week we're going to do a little more work of the properties of shape. Today we are going to look at right angles in shapes - <https://vimeo.com/430336748> (Year 3 - Week 9 - Lesson 1 - Right angles in shapes).

Pause the video when you are asked a question and tell your grown-up your answer, then listen to the answer. Now complete the worksheet attached to our blog and if you complete it, and have time, have a go at this True or False challenge below.

True or False ?

Right angles in shapes

All of these shapes have right angles.
