

## Using time connectives

All these words and phrases can be used as time connectives:

Some time ago

As quick as a flash

Minutes later

Finally

Eventually

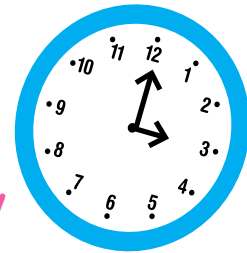

Last week

Next

An hour later

Lastly

Firstly

Some time later

Suddenly

Look at this story. Can you choose some time connectives from the list above to put in the spaces?

\_\_\_\_\_ the monster jumped out from behind a tree. I was scared so I ran away, but he ran after me. \_\_\_\_\_ I could feel his breath behind me so I knew he was close. \_\_\_\_\_ my friend arrived in his car. I opened the door and jumped in and we drove off. \_\_\_\_\_ we arrived safe back home.
