

# Maths

Today we are going to look at horizontal and vertical lines -

<https://vimeo.com/430336963> (Year 3 - Week 9 - Lesson 3 - Horizontal and vertical).

Pause the video when you are asked a question and tell your grown-up your answer, then listen to the answer. Now complete the worksheet attached to our blog and if you complete it, and have time, have a go at this True or False challenge below.

A graphic for a 'True or False' challenge. At the top, the words 'True or False' are written in a playful, colorful font, followed by a question mark icon. To the right, the text 'Horizontal and vertical' is written in a small, simple font. Below this, the challenge question is displayed in a large, black, sans-serif font, centered within a white rectangular area that has a thick orange border.

True or False ?

Horizontal and vertical

There are letters other than E, H and T  
that have **only**  
horizontal and vertical lines.
