Jim and the Beanstalk is a sequel to Jack and the Beanstalk, the book we read last week. What is a sequel? A sequel is a story, book, or movie that comes after another story, book, or movie. A sequel has important parts of the first story like characters and places. What movies do you know that have a sequel? I thought of Toy Story 1 and Toy story 2. Toy story 2 is the sequel because it comes after Toy Story 1. Or what about Home Alone? It has a sequel too. Or Frozen 2, Shrek, Ice Age, Madagascar; there are many sequels you may know. At the end of our unit of Jim and the Beanstalk you will be writing your own sequel! At the end of Jack and the Beanstalk the Giant is never seen again, or is he? Watch - Stop at 1.04! when Jim is waiting at the castle door. https://www.youtube.com/watch?v=liizHArY5aU Fill in the story map with a sentence to answer each question about what has happened so far.
